

**REMARKS**

Applicant and examiner discussed the restriction requirement dated April 5, 2006 on the telephone. It was agreed that Examiner would place an appropriate interview summary in the file. It was agreed that the restriction requirement dated April 5, 2006 should be modified as follows:

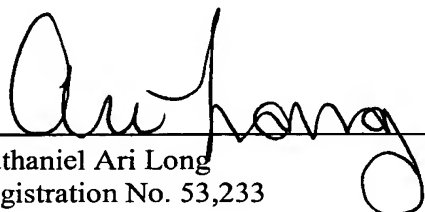

- I. Claims 1-19, and 44-45, drawn to displaying a webpage and webpage data, classified in class 715, subclass 501.1.
- II. Claims 20-27, drawn to a user interface, classified in class 715, subclass 700.
- III. Claims 28-43, and 46-50, drawn to the user of scheduler and downloader accessing data in a directory, classified in class 709. subclass 217.

Applicant hereby elects group III with claims 28-43 and 46-50 for prosecution. Applicant cancels claims 1-27 and 44-45, and reserves the right to pursue the subject matter of all non-elected claims in one or more related applications.

Also, Applicant has amended the title of the application to correct a typographical error. Applicant requests the issuance of a corrected filing receipt to reflect the correction.

Applicant respectfully requests entry of the foregoing amendments, and looks forward to working with Examiner in considering the patent application.
